REPORT ON

NIRBHAYA KANYA ABHIYAN

AND BETI BACHAO BETI PADHAO ABHIYAN

Beti Bachao Beti Padhao and *Nirbhaya Kanya Abhiyan* are some of the schemes launched by the Government of India for promoting education for girls students and also for empowering girls students. Since the launch of these schemes, the main objective has been firstly to bring about a behavioural change in the society towards the birth and rights of a girl child. The *Beti Bachao Scheme* has resulted in an increase in awareness about the gender bias prevalent in the society and how society can play an important role to eradicate it. Similarly the implementation of *Nirbhaya Kanya Abhiyan* has also led to many promising changes in our society. The main agenda of these schemes is to develop the personality and confidence of the girl child. The girl students are given training in different aspects like health, sports and other activities to boost their self confidence and also to develop a critical faculty which will contribute to society. Keeping in mind the spirit of the schemes, Rangapara College have also made coordinated and convergent efforts to promote education for girls students and also to empower girl students through various awareness camps workshops and counselling sessions. Rangapara College, in keeping with the spirit of the schemes launched by the government, *Beti Bachao Beti Padhao Nirbhaya Kanya Abhiyan* have made sustained efforts to generate awareness and improve the efficacy of these schemes by including the girl students in various activities of the College. The college firmly believes in creating awareness regarding female infanticide and to rally support for the cause *Beti Bacho Beti Padhao*. **Special mention should also be made of the efforts made by Rangapara College, where it tries to go beyond both the campaigns *Beti Bachao* and *Beti Padhao* scheme and *Nirbhaya Kanya Abhiyan* and tries to rally support for *Beti Samarth Banao* wherein members try to make the girl students aware of the necessity of financial independence and to stand in their own two feet.**
