HOD, Dept. Of English

1. Tabulation of the Event:

Department of English	
Period: 2022	Date of the Event: 26th March 2022
Title of the Event	<i>Charity Teaching to Economically Disadvantaged Students (L.P & U.P)</i>
Type of Event	Charity Teaching
No. of Participants	50
Venue of the event	Town Hall and village field
Permission obtained for the event	YES

Objectives:

1. To help students from disadvantaged backgrounds to traverse the educational challenges they encounter.
2. To offer guidance to disadvantaged students and strengthen their problem solving skills.
3. To reach children who are excluded from the educational experience and discriminated against because of poverty, gender, disability etc.

Target Group: Students from disadvantaged group.

Significance of the Charity teaching: Charity teaching is an essential virtue for every human being. It provides compassion towards the poor and unfortunate. Acts of charity not only helps the people in need, they also make you feel good. It is included in the best practice of the department to make the students feel a sense of responsibility to support and involve themselves in social work. It teaches them that they are part of a larger community and that everyone is responsible for those around them. Lack of education is one of the causes of poverty because, without quality education, there will be no better future leaders.

Description of the event: The department of English takes an oath of conducting Charity teaching programmes every year. With this note, on a five day long programme of teaching the underprivileged students of the villages of Rangapara was conducted by the honours students of the department. The five day long programme commenced on 26th March 2022 at 10.00 A.M and ended on 30th March, 2022. The event took place at the town hall of the city and in one of the fields of the villages. The target group consisted of more than fifty students under L.P and U.P standards of nearby villages. The volunteering students carried a blackboard, chalks and dusters for their need. They also distributed sweets and toffees among the students for engaging them in the learning activities. The volunteering students taught them alphabets, words and sentence structure. The learning activities also included moral teaching, importance of cleanliness and hygienity. The volunteers were satisfied with their efforts. The five-day long event on charity teaching ended successfully with a hope for more such similar endeavours in the future.
